Movie Descriptions for January 11 - 18

Jack and Jill - Jack Sadelstein, a successful advertising executive in Los Angeles with a beautiful wife and kids, who dreads one event each year: the Thanksgiving visit of his identical twin sister Jill. Jill's neediness and passive-aggressiveness is maddening to Jack, turning his normally tranquil life upside down. *Starring: Adam Sandler, Kaite Holmes, Al Pacino (Rated: PG, 1 hr. 31 mins.)*

Immortals - The brutal and bloodthirsty King Hyperion and his murderous Heraklion army are rampaging across Greece in search of the long lost Bow of Epirus. With the invincible Bow, the king will be able to overthrow the Gods of Olympus and become the undisputed master of his world. With ruthless efficiency, Hyperion and his legions destroy everything in their wake, and it seems nothing will stop the evil king's mission. As village after village is obliterated, a stonemason named Theseus vows to avenge the death of his mother in one of Hyperion's raids. When Theseus meets the Sybelline Oracle, Phaedra, her disturbing visions of the young man's future convince her that he is the key to stopping the destruction. With

her help, Theseus assembles a small band of followers and embraces his destiny in a final desperate battle for the future of humanity. *Starring: Henry Cavill, Luke Evans, Kellen Lutz, Mickey Rourke, Isable Lucas (Rated: R, 1 hr. 50 mins.)*

Happy Feet 2 - Mumble, The Master of Tap, has a problem because his tiny son, Erik, is choreo-phobic. Reluctant to dance, Erik runs away and encounters The Mighty Sven -- a penguin who can fly! Mumble has no hope of competing with this charismatic new role model. But things get worse when the world is shaken by powerful forces. Erik learns of his father's "guts and grit" as Mumble brings together the penguin nations and all manner of fabulous creatures -- from tiny Krill to giant Elephant Seals -- to put things right. *Starring: Elijah Wood, Robin Williams, Hank Azaria, Alecia Moore, Sofia Vergara (Rated: PG, 1 hr. 40 mins.)*

J. Edgar - Based on the life of J. Edgar Hoover, the man often credited with making the FBI what it is today: an efficient, crime-fighting organization shrouded in secrecy. Hoover founded the organization in 1935 and remained director until his death in 1972. *Starring: Leonardo DiCaprio, Armie Hammer, Naomi Watts, Judi Dench, Lea Coco (Rated: R, 2 hrs. 17 mins.)*

Twilight Saga: Breaking Dawn - Bella and Edward, plus those they love, must deal with the chain of consequences brought on by a marriage, honeymoon, and the tumultuous birth of a child... which brings an unforeseen and shocking development for Jacob Black. *Starring: Kristen Stewart, Robert Pattinson, Taylor Lautner, Ashley Green, Jackson Rathbone (Rated: PG-13, 1 hr. 57 mins.)*
